Wiedza

FiRMU2_W05

The student has an extended knowledge of advanced methods and tools, including data acquisition and analysis techniques, specific to the social sciences to describe economic structures and institutions and the processes within and between them.

Umiejętności

FiRMU2_U01

The student understands and can correctly interpret complex economic phenomena in finance and accounting and basic ones in other social sciences.

The student understands and can explain in depth the content of communications of economic institutions, articles in the press and magazines in the field of finance.

The student correctly applies concepts of social sciences.

FiRMU2_U02

The student can use advanced theoretical knowledge to describe the causes and course of economic processes and phenomena.

The student can formulate his own critical opinions.

FiRMU2_U03

The student can analyse in depth the causes, course and effects of processes and phenomena in finance and accounting using advanced theories and appropriate social sciences methods. Can verify simple research hypotheses. Can collect data using information technology.

FiRMU2_U06

The student creatively uses the acquired knowledge in various scopes and forms to solve problems in finance and accounting that arise in business practice. He knows the limitations of the usefulness of the applied knowledge.

FiRMU2_U07

The student knows how to independently propose solutions to specific problems in the field of finance and accounting based on accepted criteria and lead to decisions in this area.

FiRMU2_U08

The student has an in-depth ability to prepare typical written works, oral speeches, and presentations in Polish concerning specific issues in finance and accounting using basic theoretical approaches and various sources of information.

Kompetencje społeczne (postawy)

FiRMU2_K01

Self-development:

the student understands the need for development and lifelong learning,
inspires others to learn,
can supplement and improve the acquired knowledge and skills, expanded by the interdisciplinary dimension,
knows his strengths and weaknesses, sets ambitious goals to the best of his ability,
knows how to reconcile with failure, admit to a mistake.

FiRMU2_K02

Cooperation:

the student can harmoniously interact and work in a group, assuming various roles in the group, including leadership and supervision of the group,
can agree with the group on goals and division of tasks,
is open-minded, respecting the differences of other team members.

FiRMU2_K03

the student can present his/her view/ issue in a way that others can understand,
courageously (but prudently) expresses his opinion, is not afraid to ask questions,
can participate culturally in the discussion,
can give constructive criticism,
can communicate on specialized topics in finance and accounting with a diverse audience.

FiRMU2_K04

Integrity:

the student adheres to the principles of business ethics and takes action to comply with these principles,
respects the law,
is objective, can perceive conflicts of interest,
correctly identifies and resolves dilemmas related to the practice of the profession.

FiRMU2_K05

Responsibility:

the student meets deadlines,
can set priorities appropriately to complete the task set before him/her
can foresee the social consequences of his actions,
consistently strives to achieve the set goal,
can work systematically and independently,
respects the rules and norms of social coexistence.
