Forms of classes, the realization and number of hours				ECTS credits	
Forms of classes				2	
Language classes				120 h language course - 4 ECTS	
The realization of activities				120 h of consultation - 4 ECTS	
classroom instruction				120 h own work (including preparation for classes and to pass the course) - 4 ECTS	
Number of hours					
Language classes: 30 hours					
The academic cycle					
2024/2025 winter semester					
Type of course			Language of instruction		
obligatory			- Polish in 10.00%		
			- English in 90.00%		
Teaching methods			Form and method of assessment and basic criteria for eveluation or examination requirements		
- discussion - group work - text analysis and discussion			Final evaluation		
			Graded credit		
			Assessment methods		
			graded course credit based on individual grades obtained during the semester		
			The basic criteria for evaluation		
			Attendance, activity, preparation for classes, performance of assigned work. The scale of grades is consistent with the UG Studies Regulations.		
Method of verifying required learning outcomes					
Required courses and introductory requirements					
A. Formal requirements					
none					
B. Prerequisites					
Aims of education					
Acquiring and developing language competences in the field of specialist language at B2 level according to the European System of Language Description					

Course contents	
Bibliography of literature	
The learning outcomes (for the field of study and specialization) The student is able to use a foreign language to the extent enabling active participation in a modern work environment through the use of such skills as the use of specialized vocabulary, demonstrating communication skills, especially the skills of preparing and presenting presentations, acquiring, analyzing and processing unnecessary information based on modern technologies. P6S_WG P6S_UK P6S_KR	Knowledge The student understands the importance of the main threads of the message contained in the complex texts on specific and abstract topics and can understand the discussion using the legal specialist language. He can communicate smoothly and spontaneously enough to have a casual conversation with a native speaker. He formulates clear and detailed oral or written statements on many topics and expresses his position on matters being discussed. Crim_WG010
	Skills The student has language skills in reading, writing, speaking and listening at B2 level according to the European System of Language Description, which allows him to use a foreign language in formal situations, e.g. in a modern work environment, as well as informal (traveling, everyday situations abroad, etc.). Crim_UK10
	Social competence The student is open to cultural and linguistic experiences concerning the language he is taught, he is sensitive to changes taking place in the social and political economic sphere of countries where the foreign language is taught. Crim_KR8
